

### *Dr Jane, Ali, Martin and Janyis visited Rwanda Aid*

This month we were delighted to welcome Dr Jane, Ali, Martin and Janyis. They were excited to site different projects that Rwanda Aid is running in the districts of Rusizi and Nyamasheke. The photos below are for photographers and welding groups

It was a good occasion for Ali to assist and help the farming department in livestock training at Nkombo and Bweyeye. Forty one farmers were successfully trained. They transplanted about 13,000 trees from Giheke tree nursery.

We were pleased to have some days with Dr Jane in first aid training. She left some first aid kits with us that are very helpful when there is an accident. Marin was busy with Honnorette about finance audit and Janyis was busy with Rwanda Aid ICT.

## Rwanda Aid new staff and volunteers

This month Rwanda Aid recruited three new workers.

Ndabavunnye Leopoldine, on the left side, was appointed as care counsellor at Baho Neza Mwana.

Habimana Bonaventure, on the right side, was appointed as care welfare at Baho Neza Mwana.

Dusabumuremyi Francine, in middle, was appointed as cashier at Rwanda Aid.

Dominique is a Canadian retired teacher. She has volunteered in Haiti, Uganda and Tanzania to support schools and districts in developing Special Needs Education programs. She enjoys working with a team. She is very happy of the wonderful warm welcome she has received from the Rwanda Aid team.

Nick is a retired tropical agriculturalist. He has worked in many countries around the world including Uganda and Tanzania. He is very happy to be supporting the Rwanda Aid's agricultural team in their work.

## Rwanda Aid was invited in monthly community works at the District level

Rwanda Aid participated in the monthly community work that was organized by the districts of Rusizi and Nyamasheke. They were focused on starting the model villages in rural areas and digging roads. Those model villages will have modern health posts, schools, water, electricity and all possible requirements for people welfare. It is located in Bushekero in Nyamasheke district and in Nyakarenzo in Rusizi district.

The permanent secretary from the ministry of local government inaugurated the foundation stone laying action as the guest of honor. The districts partners are contributing, in different domains on intervention, to have successful model villages.
