

Support for children at Ngwino Nawe

Parents were given training through discussion groups. The training was aiming to give parents more understanding about looking after children with disability and special needs.

Parents were excited to see the progress that their children are making.

The villages of Ngwino Nawe was pleased to receive training materials given by Emma.

The children at Baho Neza Mwana village

More than 25 children performed very well at school. They become among the top five in their classes.

Two of those who are in secondary level, became the top of their classes. They went in holidays by the end of March.

Organic farming and livestock

After livestock training sessions of 20 farmers in Mahembe sector, those farmers have been also trained in the following topics: building animals' pen, animals feeding and harvest management, animals' disease and their treatment and specification about all small animals (goats, sheep, rabbit, chickens and pigs)

All of them they received two metal sheets per each as a support that they will use during building of animals pens.
