

### Rwanda Aid staff welcome UK visitors in Rwanda

We are having a great time with the visitors from UK. We were delighted to welcome them and they are providing support to the Rwanda Aid management team in Rwanda.

Janyis is visiting different projects and assisting project managers and administration as Rwanda Aid UK advisor.

We were very excited to welcome a newly married couple, Sam and Katy Humphry-Baker. Over the next 3 months they will be providing support with enterprise development projects, especially research and implementation of renewable energy.

### Rwanda Aid was invited to a cooperatives performance exhibition in Nyamasheke district

This month, the district of Nyamasheke organized an event to award the cooperatives who have performed well in the last year. We were excited that a large number of exhibitors were those supported by the Rwanda Aid enterprise development programme.

A representative of the crafts ladies, Alexianne, was excited to be interviewed by Rwanda Television, explaining how they are making beautiful cards from banana fibers, as well as bags and beads from papers.

### Baho neza Mwana Street Children village

The UK visitors visited the children at Baho neza Mwana, where they were excited about the recent birth of nine piglets.

They also visited a family house that Rwanda Aid is renting for five young women, who used to be sex workers but are now all in training programmes, either sewing or hairdressing.

### Ngwino Nawe Village for children with disability

This month the third term started and all children were regularly following their lessons.

During break time children played different games such as lance ball, Sitting ball, Boneza Ball and football. In addition to that they joined others in Nyamasheke team during Peace One Day Boneza Ball cup at EAV Ntendezi.

## Education

From 1<sup>st</sup> September 2017, RA education team has been working with all lead teachers delivering School Based In-service Training in both Rusizi and Nyamasheke Districts.

With good collaboration of RA and REB, Felix and Isaac, who also work as National trainers, participated in REB organized workshop which took place in Musanze District, Northern Province from 17<sup>th</sup> September to 24<sup>th</sup> September 2017.

The purpose of this workshop is to develop phase III teacher training materials which will help the National trainers to conduct the training at both Sector and school level focusing on CBC (Competence Based Curriculum).

## Farming: Tree transplantation during community work.

This month we were pleased to participate in community work that took place in Kanjongo Sector. Distinguished guests such as Deputy Nyabyenda Damien, the Vice Mayer in charge of social affairs, Mukamana Claudette and people from Kanjongo were delighted to be there planting trees that RDIS grew with the support of Rwanda Aid.

We also continued making the pilot farm at Bushekeri sector, Nyakibingo cell. We started by making compost then we planted maize, climbing beans and soya beans
